

Umbria

Durable, light and easy to handle, Umbria tiles are ideal for internal and external projects. Umbria tiles look stunning in conservatories and kitchens and are versatile enough to use outside for smaller features. Laid either conventionally or randomly spaced, you'll achieve fantastic results.

PAVING STONES

| Sizes | Unit / m2 | Unit weight | m2 / pallet | Unit / pallet | Pallet weight |
|-----------|-----------|-------------|-------------|---------------|---------------|
| 390 x 260 | 9.9 | 5.5 | 7.1 | 70 | 385 |
| 260 x 260 | 14.8 | 4 | 4.7 | 70 | 280 |
| 260 x 130 | 29.6 | 2 | 2.3 | 70 | 140 |

Thickness: 25mm

Complement

Complement the bright terracotta patio with white wash walls and edge flowerbeds of lavender with our delicate Rose Thistle path edging for a garden with a distinctly Mediterranean feel.
